# Accessory Kits

## TS-DBK1

For DrivePro Body 70/60/30

- 3.5mm to USB Type-A cable
- 360° rotating clip
- Velcro holder
- Velcro straps

## TS-DBK2

For DrivePro Body 70/60/30/10B

- Magnetic mounting kit (backing plate and magnetic mount included)
- MOLLE mount
- Camera holder

## TS-DBK3

For DrivePro Body 70/60

- Screwdriver
- Mounting screws
- Wearable cable

## TS-DBK4

For DrivePro Body 10B

- micro USB to USB Type-A cable
- 360° rotating clip
- Velcro holder
- Velcro straps

## TS-DBK7

For DrivePro Body 30

- Protective cover
- 25-centimeter safety chain

## TS-DBK5

For DrivePro Body 70/60/30

- 3.5mm to USB Type-A power cable

# Know More About IP Rating

| Ingress Protection (IP) Rating | | | |
|---|---|---|---|
| **Solids** | | **Liquids** | |
| 0 | No protection | 0 | No protection |
| 1 | **Protection against**<br>• Solids greater than 50mm in diameter | 1 | **Protection against**<br>• Vertically falling drops of water |
| 2 | **Protection against**<br>• Solids greater than 12mm | 2 | **Protection against**<br>• Falling drops of water unit is tilted 15° from vertical |
| 3 | **Protection against**<br>• Solids greater than 2.5mm | 3 | **Protection against**<br>• Water drops up to 60° from the vertical |
| 4 | **Protection against**<br>• Solids greater than 1mm | 4 | **Protection against**<br>• Water splashed from all directions |
| 5 | **Protection against**<br>• Dust than may harm equipment | 5 | **Protection against**<br>• Low pressure jets of water from all directions |
| **6** | **Completely dust tight** | 6 | **Protection against**<br>• Strong jets of water from all directions |
| | | 7 | **Protection against**<br>• Immersion in water between 15cm and 1m for 30 minutes |
| | | 8 | **Protection against**<br>• Immersion in water under pressure for long periods |

# Value-added Software

Transcend®

# DrivePro Body Toolbox

*Microsoft Windows version*
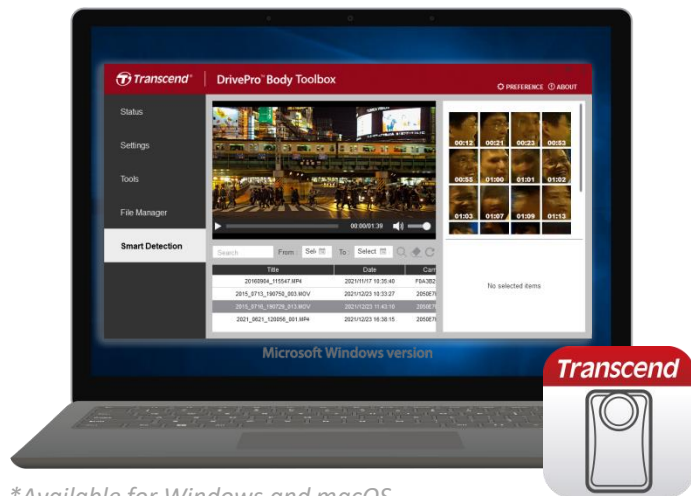

*Available for Windows and macOS*

**File Backup**
Automatically backs up photos and video recordings once connecting with the DrivePro Body camera

**File Manager**
Searches files by name, camera ID, user ID, or by date. Select a video, trim and save it as a new clip immediately

**Device Settings**
Adjusts DrivePro Body camera's settings, including microphone, light frequency, and date/time display format

**Firmware Upgrade**
Upgrades a DrivePro Body camera to the latest firmware version
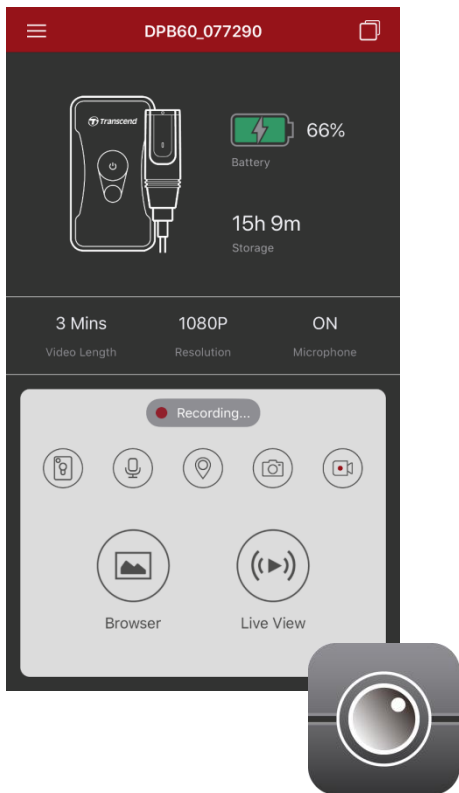

**Webcam Mode** *For DPB30/60/70 only
Support various video conferencing software to start live streaming in an online meeting.

**Smart Detection**
Automatically identify the faces in a video and extract footage to the sidebar to let users blur or block out the faces.
*Available only on Windows

# DrivePro Body App

**Home**

Selects your DrivePro Body device from the menu. Remaining battery and recording time will be shown on the display

**Live View**

Instantly views real-time footage recorded by the DrivePro Body camera on your mobile device

**Browser**

Videos are classified by the date recorded. You can search quickly to find a video file, and play it from your mobile device

**Device and Video Settings**

Device and video settings can be adjusted via your mobile device, including video resolution, video length, video stamp, volume, and date/time

**Siri Shortcuts**

Adds the app to Siri Shortcuts to quickly start recording, capturing images, or checking DrivePro Body power status

*This function is only available for DrivePro Body models with Bluetooth and Wi-Fi connectivity. (DrivePro™ Body 30, DrivePro™ Body 60, & DrivePro Body 70)

*Siri Shortcuts is only available to iPhone with iOS 12 or later.
